The Dayee policy of continuous improvement means that specifications can be changed without prior notice,
the real product may vary from the pictures shown on this catalogue

Ningbo DAYE Power Machinery Co.,Ltd was founded in 2004. At that time, we purchased a lawnmower factory in Shanghai, and we became the earliest and most professional mower-making factory in China. DAYE got ISO9001 in 2004. After more than 20 years, DAYE has accumulated abundant R&D, manufacturing, and sales experience. As our customers, DAYE gives you so many choices. First, we have two kinds of power engines: gasoline and electric. Second, we provide different sizes to you: 13", 16", 17", 18", 19", 20"and 21". So we have over 80 models for you to choose. All of our models have CE, GS, EMC,NOISE, EUROV certificate. DAYE promises to you that every machine you get from our factory is comply with requirements of the certificates. DAYE has established stable and reliable parts supplying chain system. DAYE keeps and improves ISO9001 quality system continuously, and ensures the products quality and in time delivery. After more than 20 years effort, DAYE has gathered many outstanding technicians in the field. DAYE is the leader in new products development and can successfully develop new products in very short period.

- 1.We are the earliest lawnmower factory in China
- 2.We are the most professional mower-making factory in China
- 3.We have more than 20 years experience in lawn mower, and have accumulated abundant manufacturing and sales experience.

DAYEE 58cm Gasoline Walk Behind Leaf & Litter Blower & Vacuum

Semi Professional Series

Equipped with a premium **140CC(B&S)/159CC/196CC(Loncin)/173CC(DAYEE)** engine, offering a sizeable **58cm** working width and supplied with a sizable **150-litre** Collector, also with handpush or self-propelled mode for different selection, the top-quality DAYEE gasoline blower & vacuum is a powerful, fast and convenient way to clear leaves and debris from both lawn and carparks/hard standing areas!

It features ball-bearing wheels for easy pushing, an adjustable working height for superior flexibility of use, **The innovative optional hose kit** enables the user to reach and clean under hedges, behind vases and in all areas that are difficult to access and **the optional scarifier cassette** is an optional extra to allow you to manicure your lawn. **The optional brush cassette** is ideal when you find material that is strongly attached to the ground, such as wet leaves or other things that are difficult to pick up.

Semi Professional Series

Self-propelled
Easy maneuverability with self-propelled drive system, featuring high and low speed options.

Powerful Four-Stroke B&S, DAYEE, LONCIN Engine
Ready start technology for easy starting.

Collection Bag
The large, robust 150 liter canvas collection bag with quick-opening zip for long working sessions.

Front Adjustment
5-stage height adjustment 15-60 mm.

10 Inch Rear Wheels
For easy operation over rough spots and on inclines.

Heavy Duty Steel Impeller
The impeller is manufactured from high quality steel and features a unique design for optimum airflow.

58CM Vacuum Width
Quickly removes leaves in the yard while the 250cm on-board hose gets into tight spot and under shrubs.

Scarifier Cassette (Model No: DY580-01)
The optional scarifier is an extra to allow you to manicure your lawn.

Brush Cassette (Model No: DY580-02)
The optional brush aids in the lifting of wet leaves and debris.

Vacuum Hose Kit (Model No: DY580-03)
For hard to reach areas. The optional vac hose gives you extra reach so you can clean out areas where you can't get to with the front collector snout—garden beds, along foundations, window wells, etc. 250cm hose length. 730-990mm adjustable handle length. 90mm hose diameter.

Leading the Way in Leaf Cleanup Solutions!

DAYEE Electric Wheeled Leaf Blower & Vacuum

Electric Series

Equipped with a **AC brush motor**, and supplied with a large **45-litre Collector**, the top-quality DAYEE Electric Blower & Vacuum is a powerful, fast and convenient way to clear leaves and debris from pathways, grass, artificial lawns and house yard areas!

This brilliant garden push vac and blower is designed to make light work of clearing up leaves. The push vac has lots of great features to make life easier for you, including a **collection bag** that easily clips on and off for quick emptying, and **different height options** that are easily adjustable depending on the amount of leaves you need to blow or vacuum.

This great **three-in-one** machine allows you to quickly swap between blowing and vacuuming depending on the work you want to carry out. It also has a **safety trigger**, so you can easily stop the machine's power if needed.

DAYEE Vac & Blow&Sweep | 4 in 1 | Vacuum, Blower, Mulcher and Sweeper for Artificial Lawns, Grass, Patio's & Driveways

DO IT ALL: The Vac & Blow&Sweep combines a powerful Vacuum, Blower, Mulcher and Sweeper all in one compact machine. Toggle between blow and vacuum functions on the go for ultimate convenience.

PACKED WITH POWER: The 1600W motor produces wind speeds of up to 37.5m/s to blast away leaves and high volume suction to clear and mulch debris fast.

ARTIFICIAL GRASS SWEEPER: An essential tool for maintaining the fresh appeal of Artificial grass. This advanced turf sweeper is engineered to clean, comb, and collect debris efficiently. For best results, use it in two passes: move it forward to sweep and gather debris, and pull it backward to increase friction, lift the grass fibers, and revitalize the turf's plush appearance.

MULTI SURFACE: Keep paths, driveways, grass and artificial turf clear of leaves and debris with ease. No more back breaking raking, sweeping or bending, simply walk behind the machine and watch it do the work.

LARGE CAPACITY: The Vac & Blow features an extra large 45L collection bag with secure zip for easy access and emptying.

Lithium Battery Series

40V Li-ion Battery Series

Introducing the DAYEE Eco 40V Cordless Battery Range.

Where power meets eco-friendliness. DAYEE brings you the might of petrol-powered equipment minus the disruptive noise, maintenance, and emissions.

With DAYEE Eco, you'll have the power required to tackle your gardening tasks until completion, while enjoying impressive run times and rapid charging. Just snap the battery in place, and dive into your gardening projects.

It is eco-friendly, effortless setup, cost-efficient.
